FOREWORD

by Harry A Hopkins

Each year we get several requests from fans with interests not specifically among the interest codes available here in the Directory. This one, which we received last week, is typical:

"Dear FANDATA:
Why is there no listing for the AVENGERS TV show in the directory? You have one for beer cans for crying out loud!!!"
Henry Gonzalez
Bellevue, Washington

These pleas do not go unnoticed. We maintain an extensive data base of fan interests. In addition to the 102 interests we do list (see page 16), we keep track of 251 interest areas not yet having a code. What are we waiting for? The answer is simple: 50 fans. We never know which fan interest areas are going to "take off." Some never will. I mean, nearly 200 of the 251 interest areas have been mentioned by only one fan. We require a minimum of 50 fans to state an interest in a specific area before we assign it a code and start listing it. This provides a way for new interests to enter the Directory without watering down the usefulness of the Directory with too many codes not of interest to a significant number of fans.

However, there are several fan interest areas which are building support. In this edition, for example, 4 new codes were assigned to interest areas which crossed the "magic 50 fans" line.

Code	Interest	Count
AU	Autographs	262
BE	Beauty & the Beast	107
SN	Star Trek: TNG	70
RB	1st Editions/Rare Books	57

Seventeen other interest areas now have 10 or more fans who are advocates of a new code being assigned. You could well see any or all of these added to the Directory next year.

Interest	Count	Interest	Count
Vampires	36	Avengers (TV)	13
Batmania	26	Lost in Space	13
T-Shirts	22	Robin Hood	13
Audio Cassettes	18	Monty Python	10
Sherlock Holmes	18	Photos	10
Steven King	17	Postcards	10
U.N.C.L.E.	15	Robotech	10
Buckaroo Banzai	14	War of the Worlds	10
Wizard of OZ	14		

So much for the "up and coming" fandoms, what about this edition of the Directory?

Artwork quality and quantity records continue to be broken. Throughout this edition you will find that we have used a record 215 illustrations from a record 95 artists. Beginning with the cover, by David Jahn of Saint Paul, Minnesota; you may remember this year's cover as the "Best-of-Theme" winner in the 10th annual Fandom Directory artwork contest. We liked his prize-winning piece so much that we had him redo it for this edition as a cover. The Grand Prize winning artwork in this year's contest came to us from Denis Martynec of the Ukraine within the Soviet Union. It's really interesting trying to get $250 (remember, we raised the prize money this year from $100 last year) into the Soviet Union! The Best-of-Theme winner ($100 this year, up from $50 last year) is Chuck Frazier of Brooklyn, NY. In total, 148 artists submitted 213 pieces for judging. The judges were very busy. Check out the work of Denis and Chuck, along with our 18 other pieces of prize-winning art, in the Artists' Gallery which starts on page 258.

Fan publications, fan clubs, and conventions also set new response records this year. Remember, zines, clubs and cons must renew annually, so these listings are new each year. Six hundred eighteen fan publications, 617 conventions, and 895 fan clubs registered with us this year.

Randall Scott's index to Research Libraries of Interest to Fandom (RLIF) returns this year bigger than ever. He now list popular culture collections at 113 libraries around the globe. You've come a long way in 9 years Randall!

Finally, the customer response service which we introduced in Fandom Directory #11 has been so successful and of such a great service to both our advertisers and readers alike, that we have made it a permanent part of the Directory. The system works very simply. Just turn to pages 526 and 527. There you'll find that all you have to do to get additional information from one of our advertisers is send in one of the customer service forms and we'll forward your requests promptly to each advertiser you specify. Use the customer response numbers found on each 1/4-page or larger ad, you'll be saving a whole lot of stamps and you can be sure your requests are given priority notice by the advertiser. Try it out!

STAND OUT FROM THE CROWD!!

In addition to your FREE listing in the Fan Publications, Fan Club, or Convention Index for the new Fandom Directory, you can purchase an expanded unit ad for as little as $10.

As the example at the right shows, your expanded listing will really "stand out" from the listings around it. The ad shown cost only $10! (We add the borders at no additional charge.)

You can reserve up to four units. Units can be arranged any way you like. Each unit costs only $10 and should be submitted as an original approximately the size of a standard business card.

The deadline for getting your unit ads in is 1/13/91.

RESEARCH LIBRARIES OF INTEREST TO FANDOM (RLIF)

Compiled by Randall W. Scott

This is the ninth annual RLIF directory, listing 113 libraries whose collections and policies indicate that they are of special interest to fandom. Updates and omitted or new information are always welcome and should be sent to Randall W. Scott, Michigan State University Libraries, East Lansing, Michigan 48824. Phone: (517) 353-4526.

Except where explicitly noted the information is based on personal correspondence or visits to the libraries listed. The data on these collections is as accurate as I can make it as of January 1990.

Two groups of users are envisioned for this directory: readers and researchers who need the resources of a collection larger or more rare than they themselves can amass, and collectors, dealers or publishers looking for places to donate or sell their material. I have tried to include only collections that give the interests of fandom some pride of place, either by making their material non-circulating or through other special handling or designation.

Important: Call or write before you visit any of these libraries. One of the librarian's duties is to protect the collections for posterity. If you make yourself known in advance, we're less likely to seem like we're protecting the collection from you!

Please Note: We are unique in that we are located in and serve the black community of East Oakland. Because of this, we are depending on the collectors of other communities to support us in our efforts to provide an alternative to the burgeoning drug culture. ALPHABETICAL LISTING

How To Use This Index

The entries in this listing are printed in alphabetical order. Each entry consists of a name, a state or province and a zip code. In the case of a country other than the U.S., Australia or Canada, no state is listed and the first six characters of the country are listed. To find out the full address, telephone number, status and interests of any entry, simply thumb to the state listed in the Zip Code Listing which begins on page 280. A period (".") in front of a name indicates a retail store which can only be found in the Retail Stores Index beginning on page 113. For your convenience we have included below a complete list of the two letter state abbreviations used by the U.S. Postal Service.

LAST MINUTE ADDITIONS & UPDATES

The following 141 entries were all received at the last minute. All these entries were received between February 7th and 17th. Some of them are new entries and some of them are updates to past listings. These names appear in none of the other indexes or listings in this edition. They were pasted up just prior to the delivery of the final pages to our printer on the 19th. These 141 made it in at the last second, but each year there are dozens of disappointed people whose data forms arrive too late for inclusion in the current edition. To avoid missing out, please get your information in early.

Box 3190
Los Angeles, CA 90078

CONTEST RULES

1. The Contest is open to Entrants from all nations. (However, Entrants should provide themselves with some means for written communication in English.) All themes of science fiction and fantasy illustration are welcome; every entry is judged on its own merits only. No entry fee is required, and all rights in the entries remain the property of their artists.

2. By submitting work to the Contest, the Entrant agrees to abide by all Contest rules.

3. The Contest is open to those who have not previously published more than three black-and-white story illustrations, or more than one process-color painting, in media distributed nationally to the general public, such as magazines or books sold at newsstands, or books sold in stores merchandising to the general public. The submitted entry shall not have been previously published in professional media as exampled above.

If you are not sure of your eligibility, write to the Contest address with details, enclosing a business-sized self-addressed envelope with return postage. The Contest Administration will reply with a determination.

Winners in previous quarters are not eligible to make further entries.

4. Only one entry per quarter is permitted. The entry must be original to the Entrant. Plagiarism, infringement of the rights of others, or other violations of the Contest rules will result in disqualification.

5. An entry shall consist of three illustrations done by the entrant in a black-and-white medium. Each must represent a theme different from the other two.

6. ENTRIES SHOULD NOT BE THE ORIGINAL DRAWINGS, but should be large black-and-white photocopies of a quality satisfactory to the entrant. Entries must be submitted unfolded and flat, in an envelope no larger than 9 inches by 12 inches.

All entries must be accompanied by a self-addressed return envelope of the appropriate size, with correct U.S. postage affixed. (Non-U.S. Entrants should enclose International Postal Reply coupons.)

If the Entrant does not want the photocopies returned, the entry should be clearly marked DISPOSABLE COPIES, DO NOT RETURN, and a **business-size** self-addressed envelope with correct postage should be included so that judging results may be returned to the Entrant.

7. To facilitate anonymous judging, each of the three photocopies must be accompanied by a removable cover sheet bearing the artist's name, address, and telephone number, and an identifying title for that work. The photocopy of the work should carry the same identifying title, and the artist's signature should be deleted from the photocopy.

The Contest Administration will remove and file the cover sheets, and forward only the anonymous entry to the judges.

8. To be eligible for a quarterly judging, an entry must be postmarked no later than the last day of the quarter.

Late entries will be included in the following quarter, and the Contest Administration will so notify the Entrant.

9. There will be three co-winners in each quarter. Each winner will receive an outright cash grant of U.S. $500.00, and a certificate of merit. Such winners also receive eligibility to compete for the annual Grand Prize of an additional outright cash grant of $4000.00 together with the annual Grand Prize trophy.

10. Competition for the Grand Prize is designed to acquaint the Entrant with customary practices in the field of professional illustrating. It will be conducted in the following manner:

Each winner in each quarter will be furnished a Specification Sheet giving details on the size and kind of black-and-white illustration work required for Grand Prize competition. Requirements will be of the sort customarily stated by professional publishing companies.

These specifications will be furnished to the Entrant by the Contest Administration, using Return Receipt Requested mail or its equivalent.

Also furnished will be a copy of a science fiction or fantasy story, to be illustrated by the Entrant. This story will have been selected for that purpose by the Co-ordinating Judge of the Contest. Thereafter, the Entrant will work toward completing the assigned illustration.

In order to retain eligibility for the Grand Prize, each Entrant shall, within thirty (30) days of receipt of the said story assignment, send to the Contest address the Entrant's black-and-white page illustration of the assigned story in accordance with the Specification Sheet.

The Entrant's finished illustration shall be in the form of camera-ready art prepared in accordance with the Specification Sheet and securely packed, shipped at the Entrant's own risk. The Contest will exercise due care in handling all submissions as received.

The said illustration will then be judged in competition for the Grand Prize on the following basis only:

Each Grand Prize judge's personal opinion on the extent to which it makes the judge want to read the story it illustrates.

The Entrant shall retain copyright in the said illustration.

11. The Contest year will continue through September 30, 1990, with the following quarterly periods (See Rule 8).

October 1 - December 31, 1989
January 1 - March 31, 1990
April 1 - June 30, 1990
July 1 - September 30, 1990

Entrants in each quarter will be individually notified of the quarter's judging results by mail. Winning entrants' participation in the Contest shall continue until the results of the Grand Prize judging have been announced.

Information regarding subsequent contests may be obtained by sending a self-addressed business-size envelope, with postage, to the Contest address.

12. The Grand Prize winner will be announced at the L. Ron Hubbard Awards event to be held in the calendar year 1991.

13. Entries will be judged by professional artists only. Each quarterly judging and the Grand Prize judging may have a different panel of judges. The decisions of the judges are entirely their own, and are final.

14. This contest is void where prohibited by law.

C O N T E S T R U L E S

1. No entry fee is required, and all rights in the story remain the property of the author. All types of science fiction and fantasy are welcome, every entry is judged on its own merits only.

2. All entries must be original works of science fiction or fantasy in English. Plagiarism will result in disqualification. Submitted works may not have been previously published in professional media.

3. Eligible entries must be works of prose, either short stories (under 10,000 words) or novelets (under 17,000 words) in length. We regret we cannot consider poetry, or works intended for children.

4. The Contest is open only to those who have not had professionally published a novel or short novel, or more than three short stories, or more than one novelet.

5. Entries must be typewritten and double spaced with numbered pages (computer-printer output O.K.). Each entry must have a cover page with the title of the work, the author's name, address, and telephone number, and an approximate word-count. The manuscript itself should be titled and numbered on every page, but the author's name should be deleted to facilitate fair judging.

6. Manuscripts will be returned after judging. Entries must include a self-addressed return envelope. U.S. return envelopes must be stamped; others may enclose International postal reply coupons.

7. There shall be three cash prizes in each quarter: 1st Prize of $1000, 2nd Prize of $750, and 3rd Prize of $500, in U.S. dollars or the recipient's locally equivalent amount. In addition, there shall be a further cash prize of $4000 to the Grand Prize winner, who will be selected from among the 1st Prize winners for the period of October 1, 1989 through September 30, 1990. All winners will also receive trophies or certificates.

8. The Contest will continue through September 30, 1990 on the following quarterly basis.

October 1 - December 31, 1989
January 1 - March 31, 1990
April 1 - June 30, 1990
July 1 - September 30, 1990

Information regarding subsequent contests may be obtained by sending a self-addressed, stamped, business-size envelope to the above address.

To be eligible for the quarterly judging, an entry must be postmarked no later than Midnight on the last day of the Quarter.

9. Each entrant may submit only one manuscript per Quarter. Winners in a quarterly judging are ineligible to make further entries in the Contest.

10. All entrants, including winners, retain all rights to their stories.

11. Entries will be judged by a panel of professional authors. Each quarterly judging and the Grand Prize judging may have a different panel. The decisions of the judges are entirely their own, and are final.

12. Entrants in each Quarter will be individually notified of the results by mail, together with the names of those sitting on the panel of judges.

This contest is void where prohibited by law.

The Photo-Journal is everything I could have hoped and wished for and then some. Perfect reproduction and page after page of priceless comic books and information that is invaluable to any fan or collector of Comics' Golden Age. You have done the entire industry a tremendous service by publishing what is immediately its best reference source ever.

The Photo-Journal is far and away the best research book ever published on the subject of comic books. I've spent 2 nights reading volume one alone and haven't come close to absorbing all the colorful visuals and written information crammed into these high quality pages.

Bill Feret, Author-Artist-Film Historian - New York City, NY
What a phenomenal achievement! The historical aspect of your comic book compendium is inestimable. But as a source of graphic design for artists, it is even more important. The fact that you actually brought it off is a miracle. Thanks so much for your valiant effort.

THE VERY BEST FROM 1980-1990

As assembled by the editors of *The Comics Journal*, this superb two-volume set captures most of the highligths from the exciting '80s. They're all here: young turks (Bagge, Boswell, Brown, Kuper, Sim), syndicated strip and panel cartoonists (Barry, Dougan, Feiffer, Stamaty), underground masters (Jackson, Pekar, Shelton, Spain), the RAW gang (Burns, Panter, Spiegelman), the new wave of women cartoonists (Gebbie, Lay, Seda)—all this plus Alan Moore, represented with the 13-page, full-color "Pictopia," his and Donald Simpson's little-seen eulogy to the golden age of comic strips and comic books. New full-color covers by Crumb, Groening, Griffith, and Los Bros. Hernandez (who are all represented inside) as well. Special bonus: No Batcrap whatsoever.

Please send me:

RETURN TO THE MOON

This time to stay.

President Bush has initiated a program to establish a permanent presence on the Moon followed by the exploration of Mars. This program will result in the permanent settlement of Space, but ***only*** if it is approved by Congress.

Spacecause, the pro-space, grassroot lobby organization, is mobilizing all possible support—but the opposition from Congress in the midst of the budget crisis is fierce. In the words of Isaac Asimov, *"If you want to see humans move into Space, **NOW** is the time to act."*

Please write or call Senator Barbara Mikulski and Congressman Bob Traxler. Ask them to support full funding for the President's Moon/Mars Program.

The relevant addresses are:

Senator Barbara Mikulski
320 Hart Senate Office Building
Washington, DC 20510
(202) 224-4654

Congressman Bob Traxler
2364 Rayburn Building
Washington, DC 20515
(202) 225-2806

Then get ten of your friends to write or call and get each of them to do the same.

Spacecause's Boards of Governors and Advisors include: Isaac Asimov, Greg Benford, David Brin, Ben Bova, Arthur C. Clarke, Gene Roddenberry, Stanley Schmidt, and former NASA Administrators James Fletcher and James Beggs.

Join the growing list of Spacecause contributors. For as little as $15 a year, we will keep you informed on a timely basis of what is happening in Washington and how you can help promote the Space Program with letters and phone calls.

Yes! I want to help promote our future in Space and have enclosed:

☐ $1000 ☐ $100 ☐ $50

☐ $25 ☐ $_____

Name: _____

Address: _____

_____

Send to: **Spacecause**
3435 Ocean Park Blvd.
Suite 201-G, Dept. FDD
Santa Monica, CA 90405

Contributions in gifts to Spacecause are not tax deductible.
